In the AGROLAB **bottle set list** you can find all the information regarding our bottles and the associated parameters. Take a look at our **handbook** for the "correct use of the AGROLAB bottle set and transport system". Here, you can find information on the correct use of our transport system for safe and undamaged transport of your samples to our laboratory. You can find all documents in the download area on our [website](#).

For the delivery of samples to AGROLAB, please only use the bottles that we specify for this purpose, since we can only ensure the quality of sampling, delivery and subsequent analysis in this way. The bottles remain the property of AGROLAB.
