

AGROLAB is a leading and innovative group of companies for analytical services. Our laboratories are specialized in a range of agricultural, environmental and food analysis. Our goal is to deliver reliable results on competitive terms in time and prices. With over 2000 employees in 28 European offices, we belong to the market leaders in our sector.

We want to expand our leading position and are looking for a

SALES MANAGER (m/f/d) for Environment in the Netherlands

Fulltime | Home office

YOUR TASKS WILL BE

- Driving sales activity and volume to assure revenue goals are met for existing clients
- Acquisition of new clients
- Monitor markets and clients to help build a value-based strategy

YOUR PROFIL

- You have an HBO working and thinking level with a chemical background
- You have excellent verbal and written knowledge of the Dutch and English languages
- Extensive sales experience (5 years' sales experience would be nice), laboratory world/analysis is preferred
- You are customer-oriented and persuasive. You are also very entrepreneurial, commercial and results-oriented
- You are independent

YOUR PLUS

- Flat hierarchies
- Room for personal growth and development.
- Short communication lines, direct, informal and involved company culture.
- Fair treatment and transparent decisions as basis for our good work environment
- Home office
- Working in a line of business with a promising future

Be part of the company success
